## **NOTICE**

### **SERVICE OF ORDERS**

Beginning Monday, April 15, 2002, the Clerk's Office of the United States Bankruptcy Court for the Western District of Texas will begin servicing all bankruptcy case orders through the Bankruptcy Noticing Center (BNC).

The orders served via the BNC will be full and complete copies of the original order. The distribution of copies of signed bankruptcy case orders by fax will be discontinued.

Any attorney that is a participant in the CM/ECF program can receive immediate notification of the entry of an order via E-Mail by activating the E-Mail Notification of Filing feature in CM/ECF. That notification allows the participant a free opportunity to view, download, and/or print documents immediately. Any participant that is interested in activating this feature in CM/ECF should send your request to the ECF Registration Desk, U.S. Bankruptcy Court, P.O. Box 1439, San Antonio, TX 78295-1439.
